Women's Pistol III • March 3, 2012 • 1pm • Cost: \$10

For women who have completed the Pistol II class or who have had similar shooting experience (call for information). This class picks up where the Pistol II class leaves off. Bring your own pistol and ammunition or use a 'class' 9mm or .40 caliber automatic. We shoot at steel and so you can experience the difference between .38 Special and .357 Magnum. We begin the very basics of tactics, how to 'slice the pie', how to properly open doors, and how to handle an intruder in your home.

Women's Rifle I Class* • April 21, 2012 • 1pm • Cost: FREE

For women who have never shot before or have only had limited experience with rifles. Learn the very basics and how different actions work. Learn how to stand, sight, and shoot .22 caliber and .30 carbine rifles in a safe and secure environment. We provide the guns, ammunition, eye, and ear protection. All you have to do is show up! You may bring your own rifle and ammunition to shoot after the class with help from one of the many competent instructors.

*This class is open to men too! So bring your husbands, boyfriends, sons, fathers, grandfathers, brothers, uncles, everybody!

Pistol Fun Shoot

TWO RIVERS POSSE

"DOWN BY THE RIVER"

SHENANDOAH

February 4 • Durham Ferry — It was a fine day at the Ferry. The 49ers prevailed with **Molly Magoo** and **Lefty Eastman** taking three stages apiece to be the top guns. Lefty grabbed stages one, four and six for the best overall time and Molly burned stages

two, three and five and shot a clean match. They were (not very) closely followed by two Seniors and three Elder Statesmen with **Blaz N Bill** capping the Senior category and the inimitable **Lash Larue** prevailing over the Elder Statesman pack. We were pleased to have our pardns from the Faultline Shootist Society with us today and **Tres Pinos** was the top Senior Duelist and **Querida** grabbed the Lady Gunfighter prize. Other clean shooters were **Shenandoah**, **Rev Barry M Deep** and **Marmaduke**. That's how it was Down By The River.

Top Guns

Kid Shoot By Lee Williams TeachU2Shoot45@Yahoo.com

Wouldn't it be nice if there was a safe place you could take your son or daughter and let them get a good first time exposure to firearms? Well, oddly enough, there is such a place right here in your own backyard! What's even better is it's absolutely free! We're talking about the great Manteca Sportsmen Kid's Shoot! Yes, you heard right, it's absolutely free. On the first Friday of each month you can bring your kids, kinfolk, and friends and all you have to do is be there. We provide rifles, ammunition, safety equipment, dedicated quality instructors. . . everything! Got your own rifle? It must be in good working order and chambered in 22LR only. Bring it!

Kids who are past their 6th birthday all the way up to 17 years of age are welcome. You can call the front desk and sign up ahead of time. The safety brief is at 6:00 pm and again at 8:00 pm. Attending the safety brief is mandatory. We fill up quick so get your name on the list! We teach firearm safety, range rules, marksmanship, and the fun comes naturally. This is a family friendly event and we encourage parents to be on the range with their youngsters.

Got questions, please feel free to call the front desk or you can email me any time. We look forward to seeing you there!

Remember, the best safety device is the one God put between your ears. Learn to use it!

DEFENSIVE ACCURACY

Practical Defensive Firearms Instruction

www.defensiveaccuracy.com

**CCW COURSE FOR CALIFORNIA FEATURING:
NRA PERSONAL PROTECTION OUTSIDE THE HOME
2-DAY SATURDAY/SUNDAY MARCH 10TH & 11TH, 9AM - 5PM
\$250.00**

A 16 hour personal protection handgun course which teaches the skills necessary to safely carry a concealed firearm in public and outside the home. The core of the training is the NRA-certified Personal Protection Outside the Home (PPOH) basic and advanced course which teaches skills including how to safely draw a gun from a hip holster or concealment handbag.

The course covers outdoor defensive shooting skills, addressing multiple attackers, shooting while moving, barricade shooting, firearm retention techniques, and law enforcement contact procedures. In addition to the NRA-certified course, this training includes further testing to demonstrate proficiency in the course of fire required by many counties in California for CCW issuance. All NRA courses are taught by a team of certified instructors. This course fulfills the training requirement of many California jurisdictions including Alameda County, Orange County, Sacramento County, San Joaquin County including the cities of Stockton, Lodi, and Tracy. Completion of this course, however, does not guarantee that you will be issued a California CCW permit.

Certificates are awarded on successful completion of the basic and advanced NRA PPOH course. Students completing the California course of fire will be issued a certificate indicating fulfillment of 16 hours of training and testing. Course completion provides sufficient proof of training for the Florida CCW license for non-Florida residents. California does not recognize a Florida CCW license.
