WOMEN'S RIFLE I CLASS* • April 21, 2012 • 1pm • Cost: FREE

For women who have never shot before or have only had limited experience with rifles. Learn the very basics and how different actions work. Learn how to stand, sight, and shoot .22 caliber and .30 carbine rifles in a safe and secure environment. We provide the guns, ammunition, eye, and ear protection. All you have to do is show up! You may bring your own rifle and ammunition to shoot after the class with help from one of the many competent instructors.

*This class is open to men too! So bring your husbands, boyfriends, sons, fathers, grandfathers, brothers, uncles, everybody!

WOMEN'S UNARMED EMPTY HAND DEFENSE I CLASS • May 19, 2012 • 1pm • Cost FREE

FREE for women who have little or no experience with self defense / martial arts. Learn the Reality-Based Martial Arts Techniques That Will Save Your Life. Like everything we do our training is based on real-world techniques of self defense and personal safety.

Training that you can use in your everyday life. While some martial arts programs teach techniques that would rarely be encountered or used in real life situations, our martial arts program is street-wise and completely reality based. Our program is based on successfully integrating numerous styles of martial arts into one cohesive system. This system has proven very successful in defending oneself against single and multiple attackers, both armed and unarmed.

We practice one hour before class. If you have been through the class, you may participate, if not, you can come and watch.

Happy Birthday Manteca Sportsmen's Club! ...or is it Anniversary? Either way, we are celebrating the club's 75th year of incorporation this year.

The Pistol Fun Shoot celebrated with a Birthday Party theme. We had balloons, party hats, more balloons, colorful paper plates, soda, and a birthday cake with candles. There was even a choice for the 9th station; shooters could choose between the fluffy (no points) or a party horn (60 points max). There was a real BBQ with real food too (Thanks MSC, Rosie, Evy and Anna). Every relay had a drawing to win a certificate for a free relay. Three certificates were handed out. Thanks to everyone for their help in setting up and take down.

April's theme is usually Easter and Tax Day but as I'm writing this, I don't know what Rosie will be devising so get out and practice when you can. The shoot will actually be on Easter Sunday, April 8th. Start time is 0900.

Thanks everyone. We hope to see you there.

TWO RIVERS POSSE

"DOWN BY THE RIVER"

SHENANDOAH

March 3 • Durham Ferry — It was a fine day to be cowboying at the Ferry. **Mariposa Slim**, our favorite Cattle Baron, was making the targets clang. **Shenandoah** just barely edged **Dirty Pete** for braggin' rights in Elder Statesman and they both shot it clean. **Gus**

Ashcroft had that double doin' double time to grab the Classic cowboy honors. But for a miss on stage three, **Doc Burwood** would have had the best time on every stage as well as overall. **Wobblin' Bob** was once again a model of consistency prevailing in Silver Senior and shot'r clean too. Three 49's were stacked in the top five but only **Rumwalker** and **Molly Magoo** made the podium leaving **Renegade Rider** out looking in. **Topeka Bull Durham** and **Tejano** also registered a clang with every bang. That's how it was Down By The River.

Our next shoots will be April 7th & 22nd
We hope to see you there!

MAY 19TH • 9AM-4PM • \$150

Advanced Defensive Pistol Shooting Techniques – All shooting is done from strong side, outside the waist band hip or thigh holster. Focus is on safety and defensive accuracy. Student to Instructor ratio is 1:1 for all advanced moving and reactive target engagement. Additional techniques in the areas of firearms retention and weapons stripping will be trained with students on a 1:1 ratio with instructors. The clinics at San Leandro will run late into the evening and so will allow us to practice low-light shooting techniques.

We are pleased to include Empty Hands Defense Instruction by Joel Morgan. Joel holds a black belt in Korean Tang Soo. He trained in street fighting and Tae Kwon Do in Chicago with Chong Lee. He has worked extensively in personal and public security. Instruction will feature weapons retention and escape techniques.
