WOMEN'S UNARMED EMPTY HAND DEFENSE I CLASS

May 19, 2012 • 1pm • Cost FREE

FREE for women who have little or no experience with self defense / martial arts. Learn the Reality-Based Martial Arts Techniques That Will Save Your Life. Like everything we do our training is based on real-world techniques of self defense and personal safety.

Training that you can use in your everyday life. While some martial arts programs teach techniques that would rarely be encountered or used in real life situations, our martial arts program is street-wise and completely reality based. Our program is based on successfully integrating numerous styles of martial arts into one cohesive system. This system has proven very successful in defending oneself against single and multiple attackers, both armed and unarmed.

We practice one hour before class. If you have been through the class, you may participate, if not, you can come and watch.

MSI YOUTH PROGRAMS

Manteca Sportsmen has a number of programs designed specifically for the youth. These include activities for 4-H, Sea Cadets, Junior ROTC, Scouts, religious groups, and our own open activity for youth under 18.

Our most popular program is our Kids Shoot. This is a no cost safety and shooting activity for all youth under the age of 18 years. The Kids Shoot is held on the first Friday of every month beginning at 6:00 PM & again at 8:00 PM. Youth must be accompanied by a parent or guardian and will learn gun safety and how to safely shoot .22 rifles on the Club indoor range.

Those affiliated with youth programs interested in offering their group an activity related to the shooting sports are encouraged to contact the club and set up a date and time. Nearly all these youth activities are at no cost and may use MSI club equipment.

TWO RIVERS POSSE

"DOWN BY THE RIVER"

SHENANDOAH

March 25 • Durham Ferry — Sunshine was abundant, the trees were in bud and the river was tranquil on this lovely day at the Ferry. The shooting was hot. **Doc Burwood** burned every stage to be the top Wrangler and had the runaway overall time. And, by the way,

shot'r clean. **Sutter Lawman** (clean match) just slipped by **Mudville** (clean match) for second place overall and **Dirty Pete** just barely edged **Shenandoah** (clean match) for braggin' rights in Elder Statesman. **Rumwalker** and **Molly Magoo** were the pride of the 49ers but Molly got to be on top this time. **JW Trader** was (clean) and smooth and prevailed with that smoky stuff. That's how it was Down By The River.

The Cowboy Way: We have no more right to consume happiness without producing it than we have to consume wealth without producing it.

Our next shoots will be May 5th & 27th.
We hope to see you there!

April 7 • Durham Ferry — With the preliminaries under our belts and targets just waitin' to be shot, we got to it. The wealth was spread around this time with **Mudville** and **Doc Burwood** taking two stages each and **Blaz N Bill** and **Wobblin' Bob** garnering the rest with Bob (Mr. Consistency) having the overall fast time of the day. **Molly Magoo** must have liked it on top as she prevailed in the 49er category again by quite a margin over her 49er partner taking second overall. The battle of the Gunfighter match honchos was soundly decided by **Dusty Webster** from the Mother Lode Shootists taking the pride of the Two Rivers Posse by more than a wink and a nod. This was one of the better scrubbed matches with **Diamond Tip Bob**, **Brandy Rose**, **Harry Morse**, **Rev. Barry M Deep**, **Buckhorn Ewing**, **Dusty Webster**, **Panhandle Place**, **Whiskey Rivers**, **Molly Magoo** and **Wobblin' Bob** shooting it clean. That's how it was Down By The River.

Pistol Fun Shoot

targets. I heard several reports that it is a touch more challenging than the previous set-up. Seems like a good thing to me. Even so, I added up the scores and everyone's total of 3157 out of 4800 possible is 65.77% and that means the shoot was a success.

The May Pistol Fun Shoot falls on the 13th which is also Mother's Day. Now's your chance to bring Mom to the range and show her what you do when you have fun.

Thank you to all who came out on Easter to have some shooting fun with us. Congratulations to Mike Maciel, Steve Loken and Rosie McElfresh who came in 1st in their categories. The April PFS started out with a change to the "Pendulum" target frame. It has been modified so the targets now arc in an asynchronous manner. Yes, that does mean that they sometimes cross paths and 1 bullet can penetrate both
