Pistol Fun Shoot 13 May 2012 ~ Mother's Day Edition ~

~Bill McElfresh~

Rosie says I should give a SHOUT out to all the Ladies who showed up. THANKS! and Happy Mom's Day!!
Wow, we had more people show up today than I was anticipating with it being

Mother's Day and all. And we had several people that were 1st time Pistol Fun Shooters. That's a good thing. Thank you everyone. And thanks for all the help with set-up and take down too.

Congratulations to Mike Maciel for getting the overall high score of 432 (2X). Today's targets were pretty to look at but some were, uh.... difficult to shoot. I think what my Target Design Engineer had in mind was to enable the shooters to feel the sense of satisfaction of a job well done when overcoming obstacles. Just like a Mom would do for her kids.

The next Pistol Fun Shoot will be on Sunday, June 10th starting at 0900 and there's a twist. We will be shooting on the cowboy range. We'll be using our standard PFS shooting frames and targets for scoring so bring your normal guns and ammo. However, instead of the 'fluffy' target we will be borrowing a steel target from the cowboys. In order to shoot that target you will need either cowboy ammo, frangible ammo, or 22LR ammo with lead only bullets. We will have a 22 and some ammo you can use if you don't have any. Also, just like we did for the ladies on Mother's Day, gentlemen will get their 1st relay free. Bill sez: "We'll see you there!"

Two Rivers Posse

"Down By The River"

SHENANDOAH

April 22 • Durham Ferry — Gunplay. It started out easy enough with some solemn words and a pledge but then gunfire erupted. Two Rivers Posse was at it again. A sterling array of targets and sequences had been

devised to separate the best from the rest. Sometimes, not by very much. The stage wins were spread over the top four spots with **Lead Ace** taking stage one, **Lefty Eastman** grabbing stages two, three and five and the quickest composite score. **Badmann Bob** prevailed on stage four and **Coyote Carson** wrapped it up on stage six. A clang with every bang was had by **Sintree Tulait**, **Whiskey Rivers**, **Shenandoah** and **Rev Barry M Deep**, sharpshooters all. We had the privilege of having a contingent from the Coyote Valley Cowboys organized by **Bad Eye Bobolu** dumping lead down range with us today. A fun and shootin' bunch. That's how it was Down By The River.

May 5 • Durham Ferry — It was a very select rear guard that was left at Durham Ferry to defend against the likes of old Grey Steele and his nefarious minions. Many of the regular troops were at the California State Championship at 5 Dogs Creek. As expected those river pirates came sneakin' in and the posse put them to shame. **Southpaw Gringo**, a quiet but quick hombre, led the defenders with two stage wins and the top time overall. **Mudville** had some problem with his front sight but was still only a blink more than a second behind and also topped two stages. The ever ebullient **Fuzzy Bushwacker** grabbed the remaining stages seconds behind **Ricky D**. **Sintree (Hawkeye) Tulait** was the lone white hat to get a pirate with every shot. With the smoke created by **JW Trader** and **German Jim**, it's a wonder that those pirates could find their way back to the river to escape. It was reported that a good time was had by all. That's how it was Down By The River.
