Kid Shoot By Lee Williams TeachU2Shoot45@yahoo.com

Can you believe it's September already!? August's kid shoot may have come and gone, but the good times on the 1st Friday will keep on coming! We tried something new for the 5:30 advanced relay and had the kid's shooting from the prone position. For many this was the first time away from the bench so it wasn't same old, same old. I promise kids, next month we'll put the shooting boxes down for the first string of fire. I guess we all learned something didn't we? We ran five relays after the safety brief and saw 40 kids come to the line. It was a long night, but I didn't hear any complaints.

If you haven't joined us yet on the 1st Friday on the month you're really missing out on a great time. Kid's from 8 years old up to turning 18 are welcome. So if you know someone that fits that profile bring them on out next month and introduce them to the shooting sports. We preach safety and personal responsibility all night long! We'll also teach them the basics of rifle marksmanship and best of all let them practice it! We provide the firearms, ammunition, safety gear and the instructors, you gotta bring the kids! And did I tell you, it's free!

Members, this is a great way to earn those club hours and make a contribution to the next generation. If we don't train them now everyone loses! Thanks to Bill McElfresh, Dave Fabiano and Joe 'cookie guy' Kroeze for their consistent help and dedication to this event! Also need to thank Troy Thorson, Evelyn Chambers and Roger Kuykeudall for helping make the night run smoothly.

I also want to thank those of you that came out to the Friends of the NRA dinner. The funds raised there go straight to events just like this. Got questions? You can call the front desk and bug them any time, or email me.

TWO RIVERS POSSE

"DOWN BY THE RIVER"

SHENANDOAH

July 24 • Durham Ferry — It was a warm day on the river front and cowpokes from near and far came to test their mettle at the Ferry. Hill country folk and flatlanders mingled to talk shootin', shootin' irons, and the ways of the world. Forty two shooters representing fifteen categories went to the line at the stroke of eight thirty. Bobcat Tyler representing the RC brand gave him a run for the money but Doc Burwood had the quickest stage and overall time of the day. They both had nips on their heels from Badmann Bob, Wildroot and Sutter Lawman who finished in a howling pack moments behind. Wildroot burnt'm all on stage one, Doc took stages two, three and six with a scorching 12.71 on stage three and Bobcat blasted stages four and five. Lash Larue slipped in a sub twenty second time on stage three. Bobcat Tyler, Badmann Bob, Wobblin' Bob,

Dirty Pete, Sintree Tulait, Whiskey Rivers, Nickel Jim and Reverend Barry M Deep shot'r clean. Cherokee Knight and Cherokee Doll added a bit of the flavor of mom's home cookin' to the mix by comin' out to play. Lefty Eastman and Tex are doing their very best to legitimize Frontier Cartridge Gunfighter. That's how it was Down By The River.
