## November's Thanksgiving Shoot

*Smells like Thanksgiving to me.....*

First off, I need to make some corrections. Seems like I totally screwed up last months scores for the Mens Division. Sorry about that. Here is the correct line up and scores:

Rim fire → Robert Ries 470 3x, Rick James 453 3x, Steve Loken 445 6x.

Center fire → Robert Ries 439 4x, Rick James 429 3x, Steve Loken 367 3x.

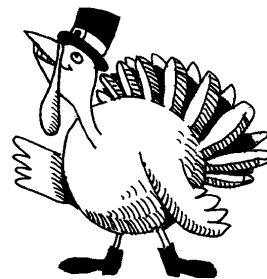

Turkeys and pumpkins were the star attractions at today's shoot. Clay birds and soda cans were fun to watch explode too. We had 19 people help us celebrate Thanksgiving with guns including several 1<sup>st</sup> timers. Here are the scores:

Ladies rim fire: Gloria Schmidt 398 2x, Rosie McElfresh 348 2x, Jeanette Ledgere 263.

Ladies center fire: Gloria Schmidt 380 2x.

Mens rim fire: Robert Ries 459 3x, Rick James 449 2x, Mike Maciel 439 3x.

Mens center fire: John Warren 440 3x, Mike Maciel 435 0x, Robert Ries 429 3x.

The Christmas Fun Shoot will be on Sunday, December 12<sup>th</sup>. I'm planning on putting together outside type targets so we can shoot both center fire and rim fire handguns regardless of the rain.

This is also the toy collection shoot. Please donate new toys or cash for the Sierra Vista Child & Family Services. Your gift of a toy (or cash) worth \$20.00 or more will get you two free \$5.00 shoots at the Pistol Fun Shoot.

Bill Sez: We'll see you there!

## TWO RIVERS POSSE "DOWN BY THE RIVER" SHENANDOAH

**November 6 • Durham Ferry** — Another beautiful shootin' day at Durham Ferry. Twenty five lead slingin' cowpokes showed up to see if they could have as much fun as they had the last time. Most succeeded. Five sharpshooters cleaned the match. They are Wobblin' Bob, Rumwalker, Reverend Barry M Deep, Wolf Creek Bodine and Hangin' Hank and the last two were separated by five hundredths of a second in the final tally. It's a short list of stage winners. Wobblin' Bob won them all. The target arrays were challenging but shooter friendly and fun was there to be had. That's how it was Down By The River.

## INDOOR .22

The club's indoor range is used for numerous training activities. Many youth shooting training sessions are held in the range. Additionally, it is used as a training room for California Fish and Game, Hunter Education Classes, and other instructional programs.

Members may use the indoor range (air guns [lead bullets] and rimfire only) when it is not being used for club events.

Additionally, the club sponsors a Winter Indoor 22 match. The matches typically begin in mid January and continue for 10 weeks on Monday evenings. Shooting is on the club's indoor range in the club house building. This is accuracy practice, shooting an assortment of targets and it will improve all your shooting. Watch future Newsletters for more information or call the club at: (209) 823-7919

Shooters may come to any/all the evening shoots. Both .22 pistols and rifles are welcome to be used in the shoot. In fact you may use both iron sights and scopes as well.

## MSI YOUTH PROGRAMS

Manteca Sportsmen has a number of programs designed specifically for the youth. These include activities for 4-H, Sea Cadets, Junior ROTC, Scouts, religious groups, and our own open activity for youth under 18.

Our most popular program is our Kid's Shoot. This is a no cost safety and shooting activity for all youth under the age of 18 years. The Kids Shoot is held on the first Friday of every month beginning at 6:00 PM. Youth must be accompanied by a parent or guardian and will learn gun safety and how to safely shoot .22 rifles on the club indoor range.

Those affiliated with youth programs interested in offering their group an activity related to the shooting sports are encouraged to contact the club and set up a date and time. Nearly all these youth activities are at no cost and may use MSI club equipment.
